Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Alabama Law Foundation, Inc. as of March 31, 2016, and the changes in its net assets and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Report on Summarized Comparative Information

We have previously audited Alabama Law Foundation, Inc.'s 2015 financial statements, and we expressed an unmodified audit opinion on those audited financial statements in our report dated July 6, 2015. In our opinion, the summarized comparative information presented herein as of and for the year ended March 31, 2015, is consistent, in all material respects, with the audited financial statements from which it has been derived.

ALABAMA LAW FOUNDATION, INC.

NOTES TO FINANCIAL STATEMENTS
MARCH 31, 2016

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

Nature of activities - Alabama Law Foundation, Inc. (the Foundation) was formed to promote law related public service projects and to provide for the delivery of legal services to the poor. The Foundation makes grants to organizations qualified to meet these objectives.

The Foundation receives revenue from interest on Lawyer Trust Accounts (IOLTA) made available by participating attorneys through financial institution remittances of interest earned on the participants' client escrow accounts.

The Foundation also receives other contributions from various sources to support its programs, such as scholarships.

Basis of accounting - The financial statements of Alabama Law Foundation, Inc. have been prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America and, accordingly, reflect all significant receivables, payables, and other liabilities.

Basis of presentation - The Foundation's net assets, revenues, expenses, gains, and losses are classified based on the existence or absence of donor imposed restrictions. Accordingly, net assets of the Foundation and changes therein are classified and reported as follows:

Unrestricted net assets - Net assets that are not subject to donor imposed stipulations.

Temporarily restricted net assets - Net assets subject to donor imposed stipulations that may or will be met either by actions of the Foundation and/or the passage of time.

Permanently restricted net assets - Net assets subject to donor imposed stipulations that they be maintained permanently by the Foundation. Generally, the donors of these assets permit the Foundation to use all or part of the income earned on related investments for general or specific purposes.

Revenues are reported as increases in unrestricted net assets unless use of the related assets is limited by donor imposed restrictions. Expenses are reported as decreases in unrestricted net assets. Gains and losses on investments and other assets or liabilities are reported as increases or decreases in unrestricted net assets unless their use is restricted by explicit donor stipulation or by law. Expirations of temporary restrictions on net assets (i.e., the donor stipulated purpose has been fulfilled and/or the stipulated time period has elapsed) are reported as reclassifications between the applicable classes of net assets.

ALABAMA LAW FOUNDATION, INC.

NOTES TO FINANCIAL STATEMENTS
MARCH 31, 2016

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES: (continued)

Summarized financial information for the year ended March 31, 2015 - The financial statements include certain prior year summarized comparative information in total but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with accounting principles generally accepted in the United States of America. Accordingly, such information should be read in conjunction with the Foundation's financial statements for the year ended March 31, 2015, from which the summarized information was derived.

Use of estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Cash and cash equivalents - For cash flows statement purposes, the Foundation considers all short term, highly liquid investments that are readily convertible to known amounts of cash, and so near their maturities that they present insignificant risk of changes in value because of changes in interest rates, to be cash equivalents. Cash accounts held as a portion of the Foundation's investment portfolio are classified as investments and are not considered to be cash equivalents for the purpose of the statement of cash flows.

Investments - Investments are carried at fair value. The net realized and unrealized gains and losses on investments are reflected as investment return on the statement of activities.

Fair value measurements - The Foundation follows the Fair Value Measurements Topic of the FASB Accounting Standards Codification. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date and sets out a fair value hierarchy. The fair value hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Inputs are broadly defined under the Fair Value Measurements and Disclosures Topic of the FASB Accounting Standards Codification as assumptions market participants would use in pricing an asset or liability. The Foundation has no assets that would be categorized as Level 2 or 3 in the fair value hierarchy.

Property and equipment - Property and equipment additions with a cost of \$1,000 or greater and a useful life exceeding one year are capitalized and carried at cost less accumulated depreciation. Depreciation of furniture and equipment has been calculated using an accelerated method. Leasehold improvements and website development costs are amortized using a straight line method. The estimated useful lives used to compute depreciation are as follows:

Furniture and equipment	3 - 7 years
Leasehold improvements	20 years
Website development	3 years

ALABAMA LAW FOUNDATION, INC.

NOTES TO FINANCIAL STATEMENTS
MARCH 31, 2016

Leases that transfer substantially all of the risks and benefits of ownership are capital leases. Other leases are operating leases. Assets acquired under capital leases are included in property and equipment, and the amortization of the capital lease assets is included in depreciation expense.

IOLTA revenue - IOLTA revenue is recorded on the accrual basis as an increase in unrestricted net assets in the period that the interest is earned on the IOLTA accounts.

Contributions - In general, contributions, which include unconditional promises to give, are recognized as revenues in the period received. Contributions with donor imposed restrictions are reported as restricted support and added to temporarily or permanently restricted net assets, as appropriate. Contributions of assets other than cash are recorded at their estimated fair value at the date of the gift.

Unconditional promises to give are reported at net realizable value if, at the time the promise is made, payment is expected to be received in one year or less. Unconditional promises that are expected to be collected in more than one year are reported at fair value initially. Unconditional promises to give are measured using present value techniques and historical discount rates in periods subsequent to their receipt. Conditional promises to give are recognized when the conditions on which they depend are substantially met.

Grants - Grants to other organizations are recorded as an expense when the Foundation's Board of Trustees approves the grants.

Subsequent events - The Foundation has evaluated events through June 15, 2016, which is the date these financial statements were available to be issued. All subsequent events requiring recognition as of March 31, 2016, have been incorporated into these financial statements.

Reclassification - Certain 2015 amounts have been reclassified in order to be consistent with the 2016 presentation.

NOTE 2 - CASH:

The Foundation maintains cash accounts primarily in bank deposit accounts, which at times may exceed federally insured limits. The Foundation maintains cash and cash equivalents that are insured by FDIC up to \$250,000. At March 31, 2016 and 2015, the Foundation had approximately \$321,000 and \$119,000, respectively, of uninsured cash equivalents. The Foundation has not experienced any losses in such accounts.

NOTE 3 - INCOME TAXES:

Alabama Law Foundation, Inc. is exempt from federal and state income taxes under Section 501(c)(3) of the Internal Revenue Code. Alabama Law Foundation, Inc. is not a private foundation. Management evaluated the Foundation's tax positions and concluded that the Foundation had taken no uncertain tax positions that require adjustment to the financial statements.

The Foundation invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities may occur in the near term and that such changes could materially affect the Foundation's investment balances.

NOTE 5 - INVESTMENT RETURN:

The management fee for 2016 and 2015 was \$135,735 and \$132,299, respectively. The Foundation also recognized \$88,400 in 2016 and \$98,400 in 2015 of contribution revenue from the Alabama State Bar for pro hac vice receipts. In addition, the Foundation leases office space from the State Bar as described in Note 8.

NOTE 8 - LEASE AGREEMENT:

The Foundation has entered into an operating lease agreement with the Alabama State Bar for office space. The lease terms provide for a monthly rent of \$1,500 through September 2016. Either party may terminate the lease with a 60 day notice. The Foundation negotiated with the Alabama State Bar to waive the monthly rent beginning in October 2013 and continuing through March 31, 2016. Rent expense and in-kind contribution recognized for the years ended March 31, 2016 and 2015 was \$18,000 per year.

NOTE 11 - FUNCTIONAL ALLOCATION OF EXPENSES:

The costs of providing the various programs and activities have been summarized on a functional basis in the statement of activities. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

NOTE 12 - ENDOWMENT:

The Foundation's endowment includes both donor restricted endowment funds and funds designated by the Board of Trustees to function as endowments. Net assets associated with endowment funds, including funds designated by the Board of Trustees to function as endowments, are classified and reported based on the existence or absence of donor imposed restrictions.

The Board of Trustees of the Foundation has interpreted the State of Alabama's Uniform Prudent Management of Institutional Funds Act (the Act) as requiring the preservation of the fair value of the original gift as of the gift date of the donor restricted endowment funds absent explicit donor stipulations to the contrary. As a result of this interpretation, the Foundation classifies as permanently restricted net assets (a) the original value of gifts donated to the permanent endowment, (b) the original value of subsequent gifts to the permanent endowment, and (c) accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund.

The remaining portion of the donor restricted endowment funds that is not classified in permanently restricted net assets is classified as temporarily restricted net assets until those assets amounts are appropriated for expenditure by the Foundation in a manner consistent with the standard of prudence prescribed by the Act. In accordance with the Act, the Foundation considers the following factors to appropriate or accumulate donor restricted endowment funds:

- (1) The duration and preservation of the fund.
- (2) The purposes of the Foundation and the donor restricted endowment fund.
- (3) General economic conditions.
- (4) The possible effect of inflation and deflation.
- (5) The expected total return from income and the appreciation of investments.
- (6) Other resources of the Foundation.
- (7) The investment policies of the Foundation.

Deficiencies of this nature are reported in unrestricted net assets. There were no such deficiencies at March 31, 2016. There was one fund where the amounts appropriated for expenditure exceeded the available income by \$3,204 at March 31, 2015.

The Foundation has adopted investment and spending policies for endowment assets that attempt to provide a relatively stable stream of funding to programs supported by its endowment while seeking to maintain the purchasing power of the endowment assets. Endowment assets include those assets of donor restricted funds that the Foundation must hold in perpetuity or for a donor specified period as well as board designated funds. Under this policy, as approved by the Board of Trustees, the endowment assets are invested in a manner that is intended to produce a rate of return, after all expenses, that is at least equal to the contemplated spending rate plus the general rate of inflation as measured by the Consumer Price Index (CPI).

To satisfy its long term rate of return objectives, the Foundation relies on a total return strategy in which investment returns are achieved through both capital appreciation (realized and unrealized) and current yield (interest and dividends). The Foundation targets a diversified asset allocation that places a greater emphasis on equity based investments to achieve its long term return objectives with prudent risk constraints.
